Dear Jim:

In August of 1990, you sent me materials related to the suspension of registration for Mr. Brier. This was quite complete and we really appreciated all the work that had taken place.

Since several months have passed, we wondered if the legal action had been completed, so we could complete our file. We would like newspaper clippings or court records which would substantiate the outcome of the legal action related to the alleged molestation.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Jim:

Earlier this year we had communication with your council, concerning the above named individual. At that time, it was indicated that he had been charged with molesting [REDACTED].

We would like to have more information concerning this, and wonder if now the legal action has been completed. Once that does occur, we would like to have newspaper clippings, or court records to substantiate that action.

Thanks for your help in the material which you have already sent.

Dear Mr. Brier:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

John Cabeza

SUBJECT: Steven V. Brier

August 2, 1990, 4:00 p.m.

I received information via [REDACTED] that Mr. Mike Poore had called indicating that Steven Brier, Assistant Scoutmaster of Troop 16, had been charged with molesting [REDACTED]. He also informed us that Detective Debbie Johnson was the person that was working on the case.

August 3, 1990, 9:00 a.m.

I called for Detective Johnson and was informed that she would be at work after four (4:00) p.m. on that day. I then called the jail ([REDACTED]) and was advised that Steven Brier was admitted on July 18 and released on July 21.

I secured the arrest report (copy attached).

August 5, 1990, 8:30 p.m.

I called Ray Ricks Troop Committee Chairman. Ray had no awareness of the incident. I informed him what had taken place and he indicated that he would talk with Scoutmaster Mr. William Charles.

August 5, 1990, 8:45 p.m.

I talked with Thomas McCargo, Charter Representative. He also had no awareness that the incident occurred. I advised him that I had tried to get in touch with the Pastor Bill Robertson and he indicated that he was probably out of town over the weekend and I could get in touch with him the first of the week.

August 6, 1990

I was able to contact Reverend Bill Robertson of the Springfield Presbyterian Church and he had no information of the arrest. He was not familiar with the Boy Scouts of America Youth Protection Program. I advised him of the nature of the Program and how it worked. Reverend Robertson indicated that he would like to be present as I visited with Steven Brier. I determined several different times that Reverend Robertson would be available for visit and called Steven Brier to schedule an appointment.

Date for visit was set for 11:00 a.m. on August 7.

August 7, 1990

At 11:05 a.m., on August 7, 1990 Steven Brier came to the Springfield Presbyterian Church and Reverend Bill Robertson and I visited with him in the Pastor's study. I inquired as to whether or not Brier was aware of the Youth Protection Program he indicated that he had not heard of it and had no Scout Leader training since his involvement with the Troop in the last year and a half. I advised him of the nature of the Youth Protection Program, read the letter to him, gave him a copy of the appeal procedure and \$1.80 cash as his registration refund. He also signed a receipt for \$1.80. There was very little reaction from Steven Brier to the conversation and he had no questions. I excused myself from the trio and left Reverend Robertson and Steven Brier in conversation.
