Dear Mr. Sandage:

In May of this year, you were notified your registration with the Boy Scouts of America was denied and you were to sever any relations you had with the Boy Scouts of America.

I recently became aware that you might be instructing at a Cub Scout Leader Pow Wow. I am compelled to request that you not serve in this capacity for the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for a review of this decision are attached.

Sincerely yours,

George W. Stone  
Scout Executive
