SUBJECT: Additional Information on Thomas George Sargent for the Confidential File. SUPPLEMENTAL REPORT.

Mr. Sargent had a boy, Bryan T. Sargent, 4744 No. 50th Avenue, Phoenix, registered in Pack 167 - December 1968. According to reliable sources, at the time of the incident, the boy dropped out of the unit. According to reliable sources, Mr. Sargent was employed as a truck driver, or a truck loader. The family consisted of one boy, Bryan; a one-year old girl, and a small baby. The wife's name is Retha. Mr. Sargent was a man described as very clean in his habits, and a "beautiful personality". The source further states that he was "very clever".

At the time of the incident, the wife was working at the Motorola Semiconductor Plant in Scottsdale, Arizona, and described as a "cool, collected individual". The source also stated that Mr. Sargent could "read people very well." An example of this is as follows:

The boy in this incident had emotional problems and acted as if he were retarded. This source states that Mr. Sargent saw this and made it a point to be friendly with this youngster. Whether Mr. Sargent had any prior ideas of molesting the youngster is not known.

At the trial, Mr. Sargent was given a polygraph test (Lie detector). Mr. Sargent was also examined by a Court-appointed psychiatrist. The Plaintiff's child was also given a polygraph test and examined psychologically.

The above mentioned information was primarily developed from the Committee chairman of Pack 167, who is still the Committee Chairman of this Pack.

It is considered by me that this information is from a reliable source, and not "colored".
