STATEMENT

This interview takes place on the property adjacent to Camp John B. Gessford, Camp Nelson, California on August the 9th at 2:30 P.M.. Those present at this interview and as witnesses are Mr. [REDACTED] of Simi, California and Mr. Philip Webb of Thousand Oaks, California, both Simoroaks District Scouters. The subject of the interview is the son of Mr. [REDACTED], ([REDACTED]) a member of the Camp Staff 1970 Camp Gessford, California. The individual making the interview is the Camp Director, C. T. Miller. The purpose of this interview is to make a determination of conversation, actions and activities that took place on Sunday, August the 2nd, 1970 involving the presence of one Mr. Warren K. Ungles, of Simi, California, a registered Adult Scouter as well as Mr. [REDACTED] [REDACTED], Jr., Camp Staff Member, Camp Gessford, California.

Q. My next question is directed to [REDACTED], the Staff Member concerning his knowledge of activities and actions that took place on the afternoon of August the 2nd, 1970 between he and Mr. Ungles. [REDACTED] will you relate in your own words the actual happenings as you have related to me, to your father and Mr. Webb previously. A. After lunch, he asked me if I had seen his new car and I told him that I had and he asked me if I would like to take a ride in it. I said sure and asked my friend Mike Runner to come along and Warren said no he would come back for him later. So we got in the car and turned on the tape player and started driving out of camp. I remember Warren saying that we would go into Camp Nelson to see the girls. So on the way out of camp he asked me if I would like to play a little game. I said ok what? He told me to take my shoes off and I argued with him about this point and asked him what was the purpose of this game, he just told me to take my shoes off. I changed the subject from the game

TSBSA009608

DYKES_I_010722

and was talking about other things. A little farther down the road he asked me if I took my shirt off, he would let me drive. To this I just turned around and gave him a flat no. And changed the subject again. When we got to the turn off to go to Camp Nelson, he went the opposite direction and then a little farther down the road he said that he would go as far as to take off my clothes and to take off my clothes and go as far as he thinks I would go with me. To this I completely ignored the question. Then he found a place to turn the car around, he turned the car around and started driving out and told me that he would let me drive if I took my shirt off. And I kept arguing to him about this point. Then I told him that I didn't think I should drive and all this stuff like that for I didn't have any insurance. Then he said that no one would see me driving and if they did they probably wouldn't ask any questions. He stopped the car then and started to slide across the seat. When he slid across the seat I got out of the car and went around to the drivers seat and started to drive. When I started driving he put his hand in his pants and was playing with himself as far as I could see. Then about a quarter mile from camp he told me to stop the car and let him take over the controls again. So I got out and got into the other side of the car and he brought me back to camp. And we had our goodbyes and I went my way and he went his.

Q. Now [REDACTED] approximately what time in the afternoon of August 2nd did you depart from Camp Gessford? A. About 20 minutes to one. Q. And what time did you return to Camp Gessford? A. About a quarter to two. Q. You mentioned that you had the opportunity to drive this vehicle. Can you identify the vehicle that Mr. Ungles was using at the time of this incident? A. A greenish gray Lincoln Continental. Q. Upon your return to Camp Gessford on August the 2nd, did anyone else from the Camp Gessford Staff depart with Mr. Ungles? A. After me or before me? Q. After you. A. Noone after me that I know of. Q. Had

anyone departed with Mr. Ungles prior to your ride with him? A. Yes. Q. And who was this individual? A. [REDACTED]. Q. Have you had any conversation with [REDACTED] concerning a similar incident? A. Yes. Q. Could you relate to the best of your recollection the discussion that took place between yourself and [REDACTED], another member of the Camp Staff? A. Well, I found out that he had gone for a ride before me with Warren and we were discussing our experiences and it seems it started the same way with [REDACTED] playing the little game of take your shirt off, do you want to play a little game, take your shoes off and I don't know all of [REDACTED]'s experience but from what he told me it was worse than mine. That's about all I know of his experiences. Q. You state that [REDACTED]'s experience was worse than yours, can you relate in approximate words what he had related to you had taken place between him and Ungles. A. Well he said, [REDACTED] said that he (Ungles) had his penis out in front of him and that he had [REDACTED] take his shirt off and told [REDACTED] let's drive the car nude. That about all that I know of his experience. Q. Did [REDACTED] indicate, mention what his reaction to this proposition on the part of Ungles was? A. Just that he was a little shook up and didn't know what quite to do. Q. When was the next time you saw Warren Ungles in camp after this experience on August the 2nd? A. On August the 8th. Q. And did you have any conversation with Mr. Ungles on August the 8th? A. Yes I did. Q. And what was the nature of that conversation. A. Just small talk. Q. Can you be specific as to Small Talk? A. Nothing important, really I don't recall anything that was important. Q. Was it in relationship to the incident of August the 2nd that you just related? A. No, it was not in reference to that. Q. At any time did Mr. Ungles place his hands upon your body? A. Not that I recall. Q. At any time did he indecently expose himself in your presence on August 2nd? A. No he did not expose himself. Q. How long have you known Warren Ungles? A. Oh, since about 7th or 8th grade. Q. In

what grade are you in now? A. I will be a Junior. Q. Thats a Junior in High School? A. Yes. Q. During this period of acquaintance, have you had any reasons to suspect such behavior on behalf of Warren Ungles in the past? A. No. I haven't. Q. Than this was the first instance of such behavior to the best of your knowledge? A. Yes. Q. Upon your return to Camp on August the 2nd or during your conservation on August the 8th with Mr. Ungles, did he at any time ask you not to mention this incident on August the 2nd to any associates or camp officials? A. No, he did not. Q. [REDACTED], during this ride on August the 2nd, did Mr. Ungles attempt at any time to take your hands or hand and place it any place upon his body? A. No, he did not. Q. What is your date of birth [REDACTED]? A. January 10, 1954. Q. And what is your address? A. [REDACTED], Santa Susana, Calif. Q. Now [REDACTED] you mentioned in reference to your ride with Mr. Ungles on August the 2nd, that you observed him fondling or playing with himself. At this point did he engage in self play by unzipping his trousers or by entering his, placing his hands inside his pants from the belt portion? Could you describe this act to me please. A. Well, from what I could see he'd slipped his hands in from the waist, he'd untucket his shirt and was playing with himself and this act lasted approximately five minutes or so. Q. During the time that he was playing with himself did he utter any verbal discussion or comments while this act was taking place? A. Not that I recall that he did, he was quite. Q. Now [REDACTED], I have briefly played this tape to you, is there any changes such as changes or deletions to the statements that you have given concerning the experience that you had with Warren Ungles on August the 2nd or the afternoon of August the 2nd commencing with Camp Gessford leaving the camp reservation, and returning to Camp Gessford later in the afternoon of August the 2nd? A. I have one addition, that I might say: When he asked me to take off my boots, after the arguement, I had them unlaced and one partly off, but something struck me as funny and that was it my shoes.

TSBSA009611

DYKES_I_010725

Q. Well what you are saying, [REDACTED] is that you did not comply with his verbal request, that of removing your boots or shoes whichever way you want to describe them. A. That is correct

This interview has taken place on the property adjacent to Camp John B. Gessford commencing at 2:30 P.M., terminating at 3:02 P.M. this date.

Dear Mr. Spindle:

I recently was appointed manager of the newly formed Customer Services, formerly known as Registration and Subscription.

Last September, you submitted the name of Warren K. Ungles to Mr. Krall, for placement on the Confidential File. After much correspondence, we are still waiting for more concrete material for our file. This is absolutely necessary, should this man attempt to register in Scouting from another council.

You have thus far provided us with Mr. Ungles' resignation and photo copies of his discharge from the Army. We now need a written statement from a parent or a boy involved, so that we have conclusive evidence in our file of this man's misdeeds. Please send us a prompt reply.

Dear Hollis:

Sorry to have to write again concerning Mr. Ungles, but as of our confidential letter dated November 18, and a follow-up letter on December 18, we have not received the additional concrete information we requested.

Could you possibly obtain for us any written statements from the boys or parents involved? This would strengthen our position of refusing Mr. Ungles any future application for registration in the Scouting program.

Your prompt attention to this matter will be greatly appreciated.

Dear Mr. Spindle:

Thank you for your letter of September 16, concerning Warren K. Ungles. We have placed this information in our file and have taken steps to have his name deleted from our records.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible. The supporting documentation, which you mention in your letter, is absolutely necessary and we shall expect to receive it in approximately two weeks. This will then enable us to identify Mr. Ungles, should he ever again attempt to register in the Scouting program.

Sincerely,

Earl L. Krall, Director

Dear Sirs:

This Council is in possession of conclusive evidence that Warren K. Ungles, Troop 606, registered as Assistant Scoutmaster, did engage in action and verbal discussion with minors (Registered Scouts) on August 2 and August 8, 1970 while visiting Camp Gessford Summer Camp, operated by the Ventura County Council, such propositions that fall in the areas of sexual deviation.

No legal action will be taken. Written resignation has been obtained from Mr. Warren K. Ungles, removing himself from the position of a registered Scouter. Parents of boys concerned have been notified of the action taken, as well as the sponsoring institution.

Supporting documentation will follow in approximately two weeks. Similar behavior has been reported by the San Fernando Valley Council on the part of Ungles on or about August 6th or 7th. We request that Ungles be placed on the "Confidential" file as being unsuitable for leadership within the Boy Scouts of America.

Sincerely,
VENTURA COUNTY COUNCIL
