Dear Ed,

Attached you will find a Custody Report and mug shot reporting the arrest of WILLIAM GEORGE WELLHAUSEN, JR dated July 18, 1985, charging him with Sexual Abuse 1st Degree.

Subsequent to that arrest, Mr. Wellhausen has pled guilty to that charge in Josephine County Circuit Court. On November 4, 1985 Mr. Wellhausen was sentenced by the court to five years probation, a \$1,000 fine, and the payment of \$4,000 counselling fee for the victim.

In light of the fact that Wellhausen is a registered adult in the Crater Lake Council, B.S.A., I request that you take appropriate measures to ensure that the National office is made aware of his conviction, and that the crime was against a juvenile.

My purpose for this request is to ensure that Wellhausen's current registration be voided and that National will be alerted in the event Wellhausen should ever attempt to re-register in scouting.

If any further documentation is required, please feel free to contact me.

Sincerely,

Ron Jones, First Sergeant

VICTIM: [REDACTED] DOB/02-13-78 (Currently in custody of Children Services Division)

MENTIONED: WELLHAUSEN, CAROLEE (Suspect's wife)

NARRATIVE: On June 17, 1985 writer was contacted by CSD case worker Carol Trunnel and requested to assist in an investigation regarding a sexual abuse incident that occurred at a residence which is certified as a foster home with Children Services. Writer was advised that the victim, [REDACTED] as well as [REDACTED] were residing with the suspect and his wife at [REDACTED] in Cave Junction. Trunnel advised that the Wellhausens had provided foster care for quite sometime. At 1:55 PM writer and Carol Trunnel interviewed the victim, [REDACTED] at Children Services Division. The victim gave the following in substance statement. It is also noted that although the victim is only seven years old, is very bright and quick for her age and would probably do well testifying in any court proceedings. The victim advised that the suspect's wife was in town shopping and that Bill was caring for [REDACTED] at the home. She advised that the incident occurred two or three days ago in the afternoon after lunch. She advised that she had just gone "potty" and that she had shorts on, which she also advised that she had

NARRATIVE:

no underwear on under the shorts as Grandma (Mrs. Wellhausen) had advised her that when she was going to go swimming she was not to wear underwear under her shorts. She advised that when she came out of the bathroom that Bill had picked her up and was holding her. She advised that he kissed her on the lips and that he touched her "front private spot". She advised that the touch happened underneath her clothing and that he rubbed and partially put his finger inside of her. The victim advised that she was aware of what good touching and bad touching was and it had been discussed with her previously. She advised that it felt bad when Bill touched her private spot with his finger. The victim also advised that she tried to stop him, but couldn't because he was kissing her and she couldn't get her lips off. The victim advised that she told Grandma about it the next day and that Grandma had told her she was good that she didn't give Bill a second chance. [REDACTED] advised that this was the only incident that had occurred since she had been staying at the residence and nothing had ever happened to any of the other children.

On 06-18-85 writer contacted the suspect at the Patrol Office. After being advised that he was willing to give a statement as to what had occurred and was being cooperative about getting the matter dealt with, this subject was advised of his Constitutional Rights at 10:30 AM and agreed to talk after acknowledging that he understood the rights. The suspect gave a taped statement, which is attached, and in this statement outlines that on Thursday, June 13th, he was in fact baby sitting the children and after [REDACTED] had come up to him and kissed him and put her arms around him, that he did in fact put his hands inside her pants and touched her vagina. He also agreed that this was done in a sexual connotation.

This subject was lodged in the Josephine County Jail and charged with one count of Sexual Abuse in the First Degree. The suspect also agreed to take a polygraph test in the future to ascertain if there were any more victims in the past that had stayed with them while they were foster parents.

Mrs. Wellhausen advised while being interviewed that she had confronted her husband about the incident after [REDACTED] had brought it up to her out of the clear blue sky. She advised that at first her husband denied the incident but then immediately advised that in fact it had happened and did not understand why it happened.
